Avoid Harsh Drugs
Many Cathartics Tend to
Cause Injury to the
Bowels

If you are subject to constipation, you should avoid strong drugs and cathartics. They only give temporary relief and their reaction is harmful and sometimes more annoying than constipation. They in no way effect a cure and their tendency is to weaken the already weak organs with which they come in contact.

I honestly believe that I have the best constipation treatment ever devised. My faith in it is so strong that I sell it on the positive guarantee that it shall not cost the user a cent if it does not give entire satisfaction and completely remedy constipation. This preparation is called Rexal Orderlies. These are prompt, soothing and most effective in action. They are made of a recent chemical discovery. Their principal ingredient is odorless, tasteless and colorless. Combined with other well known ingredients, long established for their usefulness in the treatment of constipation, it forms a tablet which is eaten just like candy. They may be taken at any time, either day or night, without fear of their causing any inconvenience whatever. They do not gripe, purge nor cause nausea. They act without causing any pain or excessive looseness of the bowels. They are ideal for children, weak, delicate persons and aged people as well as for the most hearty persons.

They come in two size packages, 12 tablets 10 cents, 36 tablets 25 cents. Remember you can obtain them only at my store—The Rexal Store. Thos. J. Chenoweth.

CONFERENCE ADJOURNS

This Morning's Session Ends Greatest Colored Meeting Ever Held in Maysville—Appointments Read—Bishop Cranston Leaves

The closing session was held at 6:30 o'clock this morning, and 150 Pastors received their appointments (some of which were disappointments) for the ensuing year, and thus ended the forty-first session of the Lexington Conference.

Rev. R. F. Broadbent remains as Pastor of Scott's Chapel, this city, while Rev. J. S. Bailey succeeds Rev. G. W. Ziegler as Superintendent of this District.

Bishop Cranston left at 8:30 for Bluffton, Ind.

At the meeting of the Methodist Episcopal Conference Saturday the reports of the undergraduates, supplies and superannuates were received.

The following Directors of Conference were elected: E. L. Gilliam, D.D., Columbus, O.; T. W. Robinson, D.D., Covington; Joseph Courtney, D.D., Springfield, O.; E. A. White, D.D., Cincinnati; G. W. Ziegler, D.D., Covington; H. W. Simmons, D.D., Lexington; J. W. Mebane, M.D., Paris; A. D. Kelley, M.D., Paris; G. L. Knox, Indianapolis.

A Board of Trustees of the Conference was elected and authorized and instructed to have the Conference incorporated according to the laws of Ohio.

The Statistical Secretary and Treasurer reported, showing a gratifying increase in membership and in finances.

The Woman's Home Missionary Society met at 2:30 p. m. Saturday. An eloquent address was delivered by Mrs. Mattie A. Sisale of Cleveland, O., who was elected President for 1910.

Sunday morning a large congregation assembled in the Opera-house at 9:30, at which time the Conference Love Feast was conducted by Revs. W. L. Muir and Scott Ward, the two oldest members of Conference. At 10:45 Bishop Cranston preached a most able sermon.

At 3 p. m. at Scott's Chapel a most impressive service was held, and the Bishop, assisted by the District Superintendents, ordained as Deacons Rufus Sharp, William Miles, H. P. Evans, V. A. Pindexter, B. F. Smith, and as Elders I. F. White, and Charles H. McDonald.

SPENDING THOUSANDS OF DOLLARS EXPERIMENTING

The Scientist Made a Great Discovery

When a man is in doubt it becomes his duty to investigate and when proof is piled upon proof it is time to be convinced. There is nothing in life so valuable as good health. The reporter of this article personally knows of several people here that are rapidly regaining their health because they investigated the proofs produced by the Root Juice people and were convinced. We positively know that an eminent scientist devoted several years of his life to hard study and spent over ten thousand dollars experimenting before the afflicted were permitted to try his great discovery, which is now curing people all over the country, after all other remedies had failed. If you hoist and belch sour gases; if your food lays heavy on the stomach; if you have any symptoms of indigestion, we honestly believe that one dose of Root Juice will convince you of its wonderful merits. Root Juice soothes and heals the mucous lining of the stomach, bowels and bladder and at the same time heals and strengthens the liver and kidneys. It prevents fermentation of food in the stomach and bowels and stops formation of acid by causing the digestive fluids to be supplied in sufficient quantities in a natural way and giving the liver and kidneys health and strength to do the work nature intended them to do. The blood will soon be filtered of all impurities and good rich blood will be made to nourish the whole body. Poor, weak women and dyspeptic, backaching, rheumatic men, take this advice before it is too late: Go immediately and get a bottle of Root Juice. Now on sale, \$1 a bottle, or three bottles for \$2.50, at J. Jas. Wood & Son's Dispensary.

Mr. Dudley Fizer, one of the best, is serving as special on the police force.

The Board of City Missions meet tomorrow at 2:30 at the mission rooms.

Maysville 7, Augusta 4

The baseball team of our High School met the team from Augusta Saturday and won, by a score of 7 to 4. Timely hitting of Maysville and some errors of Augusta were responsible for our score, while hitting and some close decisions were responsible for Augusta's. When it came to a pinch our boys were able to deliver the goods. We are able to give neither the hits nor errors, but it was evident from the start that Maysville had the better team.

ANOTHER WOMAN CURED

By Lydia E. Pinkham's Vegetable Compound

Black Duck, Minn.—"About a year ago I wrote you that I was sick and could not do any of my housework. My sickness was called Retroflexion. When I would sit down I felt as if I could not get up. I took Lydia E. Pinkham's Vegetable Compound and did just as you told me and now I am perfectly cured, and have a big baby boy."

Mrs. ANNA ANDERSON, Box 18, Black Duck, Minn.

Consider This Advice.
No woman should submit to a surgical operation, which may mean death, until she has given Lydia E. Pinkham's Vegetable Compound, made exclusively from roots and herbs, a fair trial.

This famous medicine for women has for thirty years proved to be the most valuable tonic and invigorator of the female organism. Women residing in almost every city and town in the United States bear willing testimony to the wonderful virtue of Lydia E. Pinkham's Vegetable Compound. It cures female ills, and creates radiant, buoyant female health. If you are ill, for your own sake as well as those you love, give it a trial.

Mrs. Pinkham, at Lynn, Mass., invites all sick women to write her for advice. Her advice is free, and always helpful.

MAN FROM MAYSVILLE
Lands Again—Prof. E. Regenstein
Succeeds J. G. Crabbe As State
Superintendent of Public
Instruction

The resignation of State Superintendent of
Public Instruction J. G. Crabbe was accepted
by Governor Wilson Saturday morning and he
named Prof. Ellsworth Regenstein, Superin-
tendent of the Newport city schools, to succeed
him. Prof. Crabbe resigned to become the
President of the Eastern Kentucky Normal
School at Richmond. Prof. Regenstein will
serve until January 1st, 1912.

In accepting the resignation of Superintendent
Crabbe Governor Wilson says:
"I feel that you have accomplished so much
during your term as Superintendent and have
made such a useful and strong start in the
change of our educational system that I have
the right to say to you, in the name of the
people of Kentucky:

"Well and faithfully done. You have earned
your right to lay down those duties and accept
another post in which you will be useful to the
people of the State."

The letter shows that Crabbe resigned more
than a year ago.
Prof. Regenstein began his educational
career in a country school in Mason county,
and by his force and ability arose to the Prin-

cipals of the Maysville High School, serving
as such from 1902 to 1904, when he went to
Newport.

He married Miss Marian Wormald of this
city and they are the parents of two children.
He has a fine record for so young a man and is
a man of the most enthusiastic personal force.

The Longer a Woman Wears a Hunt Suit The Better She Likes It

When you buy a Suit from us, you may depend upon getting satisfaction. We
show only garments we can recommend. A quiet good-style Suit like the one pictured
will get more wear and give more satisfaction than any other in the wardrobe. For
shopping, calling or Church a change of blouse is all that's necessary. The famous
"soft tailoring" makes the coat so pliable, it may be carried on the arm, laid over the
back of a seat or packed in a trunk without injury. It's made of wool that will not sag
or cockle. We are showing a great variety of models, both in practical and dressy
styles. Come in.

SILK PETTICOATS
Made in a way that places them in the front rank of goodness. The best de-
signs for spring and summer in all the wanted shades, and black. Prices range from
\$5 to \$15 and at each figure there is style and quality that is unusual.

WOMEN'S KID GLOVES
In both weights and shades these kid gloves for women are essentially sum-
mery. And, besides being light and comfortable, they are stylish—and the best kid
gloves we know. Two qualities, \$1, \$1 1/2.

CORSET COVERS
A bit of daintiness any woman will appreciate. Pretty lace trimmed covers
39c. More elaborate styles 50c, 75c.

A FEW days ago the English Treasury was compelled by a question in the House of Commons to issue what is known here as a "white paper," giving for the information of Parliament a detailed schedule of the duties and other taxes collected during the last ten years. This return shows that this Government, which boasts that it is opposed to taxing the people's food, has in the ten last years collected the enormous sum of \$1,525,000,000 in customs taxes on the food of the English people, including their tobacco.

GO TO THE RESCUE.

Don't Wait Till It's Too Late—Follow the Example of a Maysville Citizen

Rescue the aching back. If it keeps on aching, trouble comes. Backache is kidney ache. If you neglect the kidneys' warning, look out for urinary trouble—diabetes. This Maysville citizen will show you how to go to the rescue.

M. C. Chisholm, 317 East Second street, Maysville, Ky., states:

"The cure Doan's Kidney Pills effected in my case some years ago has been permanent, and the public testimonial I then gave in their favor still holds good. I was bothered a great deal by too frequent passages of the kidneys, and this weakness being especially annoying at night, when I was obliged to arise several times. Having my attention called to Doan's Kidney Pills, I procured a box at J. J. Wood & Son's Drugstore, and had taken them only a short time before I noticed a marked improvement. They soon cured me, and I have since learned of several other cases where they have been used with good results."

Cured of severe compound cold and cough by

Vinol

"From Dec. 20, '08, to March 1, '09, I had three bad colds, one on top of the other. I got so weak I could hardly get around. Nothing seemed to help me until I began to take Vinol. The change was magic. Three bottles completely fixed that compound cold and stopped the terrible cough—and what surprises me most, at the same time it cured me of a severe stomach trouble that has bothered me for 20 years. Vinol is certainly a wonderful medicine."

Mr. Toppan is one of Lynn's most prominent and highly respected merchants, whose word is as good as his bond.

The reason Vinol is so successful in such cases is because it contains the two most world-famed tonics—the medicinal, strengthening, body-building elements of Cod Liver Oil and Tonic Iron.
